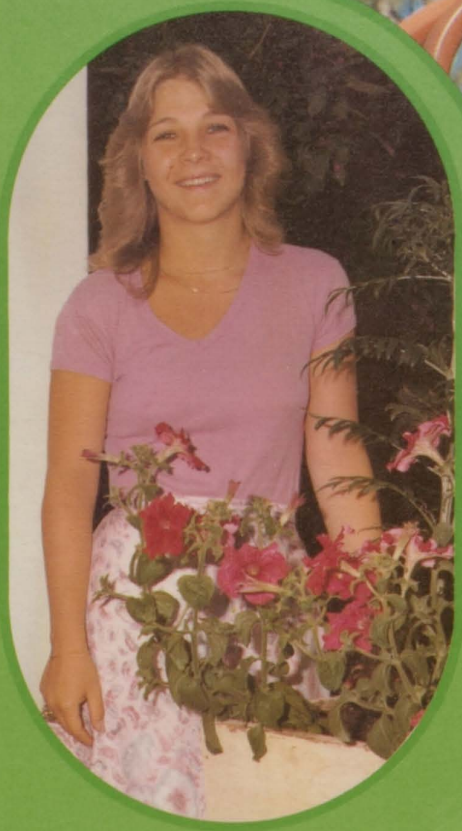
ANNUAL
ANNUAL



For a year now, we have watched you come and go; we have watched you grow — educationally and socially and have attempted to capture some of your most memorable times. In addition to capturing the thrills of your individual lives, we have touched the tragedies, mistakes and, above all, the VICTORIES! Because we believe that YOU are the most important part of Southwest High School, we've done The Spirit of '79 *just for you . . . Life is A SONG worth singing.*
